THE ASSOCIATES COUNCIL CAN HELP!

The Associates Council works to achieve an environment where both builders and associates benefit from partnering, while creating positive recognition for associates, the HBA and the homebuilding industry.

Get the most out of your membership!

Joining is the first step! The Associates Council and the HBA offer many opportunities for associates to network with and market to builders.

- **Associates Council Sub-Committees:** Education, Communications, Sponsorships, Championship Golf Tournament, Special Events and Government Affairs
- **Education Classes:** Gain valuable industry knowledge while networking with builders and other industry professionals.
- **Event Sponsorships:** Corporate and individual sponsorship packages are available for events, education classes and more.
- **Chapter Meetings:** Attend all 10 chapter meetings as often as you like to network with builders over a meal.
- **General Membership Meetings:** These twice-annual meetings are the most well-attended HBA events and are great opportunities for networking and sponsorships!
- **Advertising:** HBA members receive a 10 percent discount on ads in the HBA's monthly *Atlanta Building News* magazine and annual *Membership Directory*.
