

## Purchasing & Estimating Manager

We are seeking an individual with 5-10 years experience in residential estimating and purchasing. College education desired. Computer skills a must. Job duties include estimating new plans, working with vendors and contractors, input and research into new products, work with architects, review invoices, prepare special pricing requests, work with the management team.

We are a 29 year old locally owned homebuilding company specializing in move up housing in North Atlanta and Charlotte, North Carolina. We are building homes ranging from \$400's to \$1mm. We build our own plans but make some changes for our customers. We are very oriented towards customer service. We value our employees and have a terrific culture and work environment. Most of our employees have worked for 10-20 years. Come be a part of our team.
